Personal Online Portfolio (Ongoing)

Currently building a personal portfolio website to showcase my projects, skills, and creative work.

Link: <https://krushna2025-alt.github.io/krushna-portfolio>

Figma

Explored UI/UX design principles by creating the following concept projects in Figma:

- Redbull UI/UX Design — designed a concept UI/UX for a Redbull-themed application.
- VR Movie App — designed a concept UI/UX for a virtual reality movie streaming app.

AutoCAD

Duster Dust Removal Box — designed a dust removal box using Fusion 360 (AutoCAD).
